## DONE

In the morning, stretch out your hands again and rebuke all evil that is trying to affect your life. Read Psalm 139:23–24, meditate, and pray in regard to these words. Before going to bed, read John 10.

Exercise for 30 minutes or according to your ability. Let's go!

Pray for those who persecute you.

Do you really need credit cards? Have you considered not using them?

Keep working on the things that you need to do or finish this week.
