

TASK

DONE

In the morning, once again, stretch out your hands and make a strong prayer against all evil that is trying to affect your life. Read Titus 3:5. Before going to bed, read John 11.

Only eat the necessary amount for your nourishment; avoid excess.

Give one of the church's leaflets, newspaper or books (even if it's used) to a family member, friend or a stranger.

Think about an offering that you could give the Lord Jesus this week to support the needs of His house.

Decide never to punish yourself or lament over a mistake or past event again; look forward.
