

TASK**DONE**

Read Romans 8:26-28 in the morning and start the day by taking a walk with God, in spirit of prayer. In the evening, read John 20.

Day to sweat! Exercise for 30 minutes or according to your abilities, even if you don't feel like it. It doesn't count if you don't sweat – no excuses!

Make a vow with God, 'I will never again hold grudges against people, no matter what.'

Consider preparing an offering that symbolises your total surrender to God and present it the next time you come to His house.

Identify a virtue that you lack and work to develop it. If you haven't received the Holy Spirit, don't forget that this should be your top priority. Keep seeking. Just believe.
