

TASK**DONE**

Have a meeting with God. In the morning read John 6:1-29. At night read John 6:30-71.

Drink 8 cups of water again today! Perform any physical activities which will make you sweat! If you don't sweat, it doesn't count!

Invest in your relationships. Identify a good quality in a friend/family member and praise him/her for it.

Invest in God's plan of salvation. Prepare a special offering to be presented this Sunday.

Determine, in Jesus' name, that from now on, you will not allow other people's negative words to contaminate your heart or bring you down. Do this while you are looking at yourself in the mirror.
